Terry O'Rourke (Doc) was a member of the Red Knights Motorcycle Club, New York Chapter 19. He often commuted by motorcycle from his home in the North Country (Boonville) to chapter meetings and events in Central New York.

**Contributions may be  
made, in Doc's memory,  
to the Stevens-Swan  
Humane Society,

As an active firefighter and member of many other community organizations, we were honored that Terry was able to join us as a member of RKNY19, and will miss his friendship, camaraderie, and shared enthusiasm for riding.
