

## Red Knights Chapter 19 - 2006 Ride for the ARC

The Red Knights Motorcycle Club International was founded in 1982 in Boylston, Massachusetts and consists of professional, volunteer and retired firefighters and their families. Our mission is to share the interest of motorcycling, promoting motorcycle safety and the brotherhood of

firefighting. New York Chapter 19 was chartered by Red Knights Motorcycle Club International in February 2004 in the Utica-Rome area. We started with a roster of 7 members and over the course of our first 2 years, we have grown to over 40 members.

Madison Cortland ARC helps people with developmental disabilities and provides a wide array of services for very young children to residential services for adults, vocational training, day programs, and more. They do a great job helping our most vulnerable citizens. That is why we started the Ride for the ARC in 2004.

This Ride raises money to help support the ARC and also creates a family-oriented environment for people to truly enjoy themselves. The 2006 Ride for the ARC will take place on August 19, with registration starting at 9:00 AM at the Stanwix Heights Fire Department on Bartlett Road in Rome (off Route 233). This will be a 75 mile ride, ending with a family style picnic at the Durhamville Firemen's Field. We will have food, raffles and music for the enjoyment of Ride participants as well as several consumers from the Madison-Cortland ARC. All profits from this Ride are donated to the Madison-Cortland ARC to assist them in continuing to provide unparalleled care and treatment for developmentally challenged individuals and their families.
